MIKSI 1

Code: IS-IN-301S

Description

Pendulum swing with three different seats, including one seat for disabled users (so called semi-reclining seat). The structure is made of stainless steel, resistant to weather conditions and intensive use. Pipes are finished with spherical decorative elements resembling snail antennae.

* The seat is available in different colors depending on availability.

* All stainless steel Limako products are available in galvanized and powder painted version.
